

Books & Beyond Diorama Challenge

Due on or before April 14

Possible Materials for creating the diorama:

- **small box**
- **paper**
- **glue**
- **scissors**
- **markers**
- **crayons**
- **other...**

**to see some
pictures of
dioramas, visit
google.com and
image search
"diorama book
report examples"**

Information to include in your video:

- **Your name**
- **The title & author of the book you chose**
- **A description of the scene you picked and WHY you picked it**
- **Some of the materials you used**
- **A reflection of what you like most about your diorama and what was the most challenging part of building it**

To do list:

- 1. Pick a chapter book -- any chapter book you like (if it's one you have already read, please reread it so it's fresh in your mind.)**
- 2. Design a diorama using ONE scene from your book. (Use the design process to help you! -- see below.)**
- 3. Make a video of you with your completed project and share it with Mrs. Wordelmann.**

The Design Process

- 1. Think about what you are being asked to do.**
- 2. Draw/sketch how you'd like the scene you chose to look.**
- 3. Decide what materials are available to you and if your plan is possible. If it's not, rethink your plan based on the supplies you have.**
- 4. Build your diorama.**
- 5. Reflect -- how did your diorama turn out -- is it exactly like you planned? What worked, what had to be changed? Is there anything more you need to do?**
